What's the article? What's the description? What's it do, Being Description? What's it do, lowing stored to feel I shall offer the feel pray, Sir? which is placed in the "old fashioned" wooden or fath charm, and worked in Decame max-per precisely as the "old Lucher", these two wheels revolve rapidly and in counter directions at every up and down movement of the "Dasher," completely disengaging and entiting the cream into the minutest particles; while at the same time by aid of the "air beds" in each dis vision of the wheels, keeps the whole balk of the cream supplied with constant currents of

fresh air, thus securing by the simplest process the true principles of "Good Butter Making." Well, sir, is the thing simple-very simple? Why, so very simple woen wes, that not a wond of explanation is personary. Why "Biddy," "Armt Dinah," or the eight year old child can both understand and use it, and confirm that drilyes imagine any other purpose for it.

Is it durable and substantial, sir? It is made of the best Sheet Zine- will not rust strong-neat, and with ordinary case, will last as long as you and your grand-ould run a shildren. Long enough; well, my friend, does it make GOOD BUTTER LIFE INSURANCE COMPANY
